Beehive Pvt Ltd

Noida 15 , Feb 2019 – Apr 2019

C++
Gone are the days of two dimensional cartoon shows that would enthrall us as
kids. These days the scope of animation has increased by leaps and bound and
is evolving every day. It is essentially the sophistication in the programming
language that has spearheaded such fast paced developments.

Software Engineer

HCL Technology Limited

Noida , Oct 2020 – Present

Programming Languages:- Node js, Angular, React js, IBM Watson assistant,
IBM CLI, IBM Cloud,

Designing and developing user interfaces using, Angular, React Framework
